FUNCTION WINE LIST

The selection of wines on our function wine list are all chosen for their suitability to the menus. They represent what we believe to be true to style and region. We would recommend a choice of two styles of white wine and two styles of red to suit most of your guests' palates as well as the accompanying dishes.

Due to vintage changes, supply and time limitations these listed wines are subject to change at any time, without prior notice. We do encourage you to pre-select wines as far in advance as possible.

Finally, we are at your disposal for help with your wine decisions. If this list does not satisfy your requirements and you would like to access our full list, we are happy to discuss and organize your event with your wine preferences.

Feel free to email Tony Venn with any questions you may have:
